If during the term of this Agreement the Employer relocates the covered employees from the Winnipeg office to another, this provision shall apply to the new office.
- b) No condition of work, wage rate, job classification or security, insurance arrangements or any privilege heretofore in effect will be made less favorable to the employees through the signing of this agreement.

Deductions shall be made from the first pay in each month and shall be remitted to the Union forthwith, together with a list in duplicate of all those from whom deductions have been made. It is mutually agreed that when an employee has no pay to his or her credit during the regular deduction period, the responsibility for collection of dues for

RE: EMERGENCY STANDBY PROGRAM

This will confirm our understanding of the above subject as agreed between IBEW Local 435 and Tyco Integrated Fire & Security Canada, Inc., (Manitoba).

The parties agree to participate within the terms and conditions of the Collective Agreement in a Standby Program as outlined below:

1. Standby Duty will be distributed on an equitable and rotating basis amongst qualified employees. An employee may request exclusion from Standby Duty due to medical or other special circumstances. The request will be submitted to the Labour/Management Committee for discussion. By mutual agreement between the Company and the Union, the request shall be upheld or denied. It is understood that all requests because of medical reasons will be adjudicated by the Company's group insurance provider. Should the provider disagree with the employee's doctor, it will be sent to a third party for final resolution.
2. An employee who is required to be on Standby on a day he/she is scheduled to work will be provided with twenty-four (24) hours notice. An employee who is required to be on Standby on a day he/she is not scheduled to work shall be provided seven (7) calendar days notice. An employee on Standby Duty shall be scheduled for seven (7) consecutive calendar days. In any case, no employee will be scheduled on Standby for more than one (1) weekend (Saturday/Sunday) out of four (4), unless they volunteer.
3. The Company will endeavor to use bargaining unit employees before engaging subcontractors for after-hours service calls, however this provision in no way limits managements rights.
4. Employees on Standby will be provided with a pager or other means of communication and will be required to be available for called out overtime. They shall take reasonable precautions to ensure that the device is able to receive notification as required.
5. Participants will remain on their regular shift and vacation schedules.
6. Employees participating in the Standby Program will not suffer a loss of regular hours of work as a result of such participation.
7. Compensation for Standby duty shall be as follows:
 - a) Effective date of ratification, the employee scheduled for standby duty shall be paid eight (8) hours wages at his/her rate of pay for the seven calendar days he/she is scheduled for standby.
 - b) Standby call-out reporting to the job will be paid for in accordance with Article 6, paragraph "d" of the current Collective Agreement.

NOTE: A Standby period shall consist of twenty-four (24) consecutive hours commencing at 12.01 a.m. on each scheduled day of Standby.

Where employees are scheduled to be on Standby the shift will commence on Tuesday, Wednesday or Thursday in an effort to avoid inconveniencing employees on long weekends.

Letter of Understanding 4 day 10 hour Schedules

For local work assignments, if management determines that a four (4) ten (10) hour schedule is worthwhile then it will be offered to available qualified employees on a voluntary basis. If more volunteers exist than are needed, the assignment will be made by seniority.

For out of town work assignments, use of the four (4) ten (10) hour schedule will be at management's discretion.

For purposes of calculation regarding the application of short term disability, overtime, statutory holiday and vacation, the following shall apply:

- Short term disability will be paid on the basis of scheduled hours absent;
- Overtime will be paid for those hours worked beyond ten (10) scheduled work hours;
- Weeks containing a Statutory Holiday the employee will revert back to an eight (8) hour schedule that week;
- Vacation of one week will equate to forty (40) hours. For periods of less than one week the employee will be paid vacation on the basis of scheduled hours absent.
